

Reach For The Stars – Enrich A Child

Annual Condit PTO Fundraiser

September 2016

Dear Condit Parents,

You could take a tour around the greater Houston area and you would be hard pressed to find parents as dedicated, committed, and responsive as the ones we have here at Condit. I am consistently in awe of the investment our parents make to support all of our students. The programs that our parents' support is extensive, they include The Leader in Me, Reach for the Stars, Technology Updates, Campus Beautification, Fall Carnival, Book Fair, Room Parents, and Science Box. Condit parents work constantly to bring additional opportunities to our school. Programs like Writers in the School and our Fine Arts Enrichment Programs, or "in-school" field trips, would not happen without their support.

A standard **thank you** would never suffice, however please know that your efforts are noticed, appreciated, and celebrated.

Our Reach for the Stars campaign has now started and it is a tremendous undertaking. Asking people for money is not fun, but it is essential. I truly believe that the programs provided by RFTS separate Condit from the other schools. I promise you that the money you donate is put to good use and is given back to your children many times over. Among the many worthwhile charities, is there one better than your own child's school? I would appreciate your supporting Reach for the Stars.

Best,

Dan Greenberg

Principal
